

The Monoline Difference

Monoline was built by insurance professionals who saw how outdated processes made coverage harder than it needed to be. We set out to simplify personal umbrella insurance so payments are easy, communication is clear, and coverage is managed with transparency from start to finish.

Why Monoline?

- Flexible online payment options
- Paperless application & instant policy delivery
- Data security (fully encrypted, no paper mail)
- Real-time policy changes mid-term
- Automated renewals aligning agent and insured

Expert Claims Handling, Backed by Long-term Stability

Behind every claim is disciplined underwriting and strong financial backing, designed to support long-term stability, not short term shortcuts.

Backed by Proven Insurance Partners

Monoline works with established insurance and reinsurance partners that provide the capital strength and risk support behind every policy we issue.
